

WHAT IS WISDOM?

Only a fool would proclaim him/herself wise.

(The Lucifer dilemma)

IS THERE A PLACE FOR "WISDOM" IN MANAGEMENT?

"Business is business!"

"The purpose of business is to maximise profits!"

“BUSINESS IS BUSINESS”.....

- ✘ Is an **ambit claim!**
- ✘ It is not a philosophy that can be justified!

THE COSMOLOGY OF BUSINESS

Delusional (but dominant)

Reflective of the cosmos
(slowly being realised)

WISDOM: A USEFUL APPROACH

- ✘ Wisdom = worldly competence that honours human values and the cosmos
- ✘ How does one pursue wisdom?
- ✘ Answer:
- ✘ **Wisdom = experience + mental framework + reflection**
- ✘ Mental framework = understanding of the nature of the cosmos

AIM OF SESSION

- ✘ The session aims to provide an introduction to the Chinese book of changes (the I Ching) as a source of wisdom for self-development as a leader.

QUESTIONS

- ✘ What is the I Ching?
- ✘ How do you use it?
- ✘ What was my experience? How did the I Ching help me as a leader?
- ✘ Is this “Chinese philosophy” in action?
- ✘ Can my experience be helpful to others?

RESPECT FOR THE I CHING

Carl Jung: "The method of the I Ching does indeed take into account the hidden individual quality in things and men, and in one's own unconscious self as well."

Hermann Hesse: "I have been inspired by the wisdom of China. The I Ching can transform life."

Carol Anthony: "The Sage, or the Cosmic Teacher, speaks to us through the I Ching." It has the "ability to reflect the unconscious". "It speaks to something in me that is beyond words or reason, giving me a restorative type of nourishment".

WHAT IS THE I CHING?

- ✦ The 64 hexagrams of the I Ching were considered by their ancient authors to be a fully adequate interpretation of every human situation at any given moment during an individual's life.
- ✦ Originally a handbook for divination, it is better understood as a source of wisdom and guidance.
- ✦ By seeking to discern the inner truth of ourselves and our situation, we trigger a flow of transformative energy.
- ✦ Consulting the I Ching enables us to work with the creative spirits or the cosmic helpers.
